The rise of the 1 percent is a global phenomenon, and in a globalized world economy, the plutocrats are the most international of all, both in how

they live their lives and in how they earn their...

**Plutocrats : NPR**

In an impassioned talk, she charts the rise of a new class of plutocrats (those who are extremely powerful because they are extremely wealthy), and suggests that globalization and new technology are actually fueling, rather than closing, the global income gap. Freeland lays out three problems with plutocracy ... and one glimmer of hope.

**Chrystia Freeland: The rise of the new global super-rich ...**

It was a despicable subversion of the government of the United States solely for the benefit of corporations, the richest, the plutocrats and oligarchs. It was the foundation of the historic inequality destroying America today. George H. W. Bush followed Reagan in the Oval Office from 1989 to 1993 and essentially continued Reagan's work.
