The death penalty is a moral issue for some and a policy issue for others. However, it is also a government program with related costs and possible benefits. Many people assume that the state saves money by employing the death penalty since an executed person no longer requires confinement, health care, and related expenses.

Costs | Death Penalty Information Center

One local medical professional debunks the idea that hospitals are receiving money for their own financial gain each time a patient's cause of death is listed as COVID-19.
